# DESIGNED FOR THE MASJID!

It's wonderful for kids to experience taraweeh at a young age and associate Ramadan with happy memories at the masjid. However, understandably they can find it hard to focus for the whole duration.

These activity pages are designed to be suitable for use at a masjid so they contain:

## Photocopy and share!

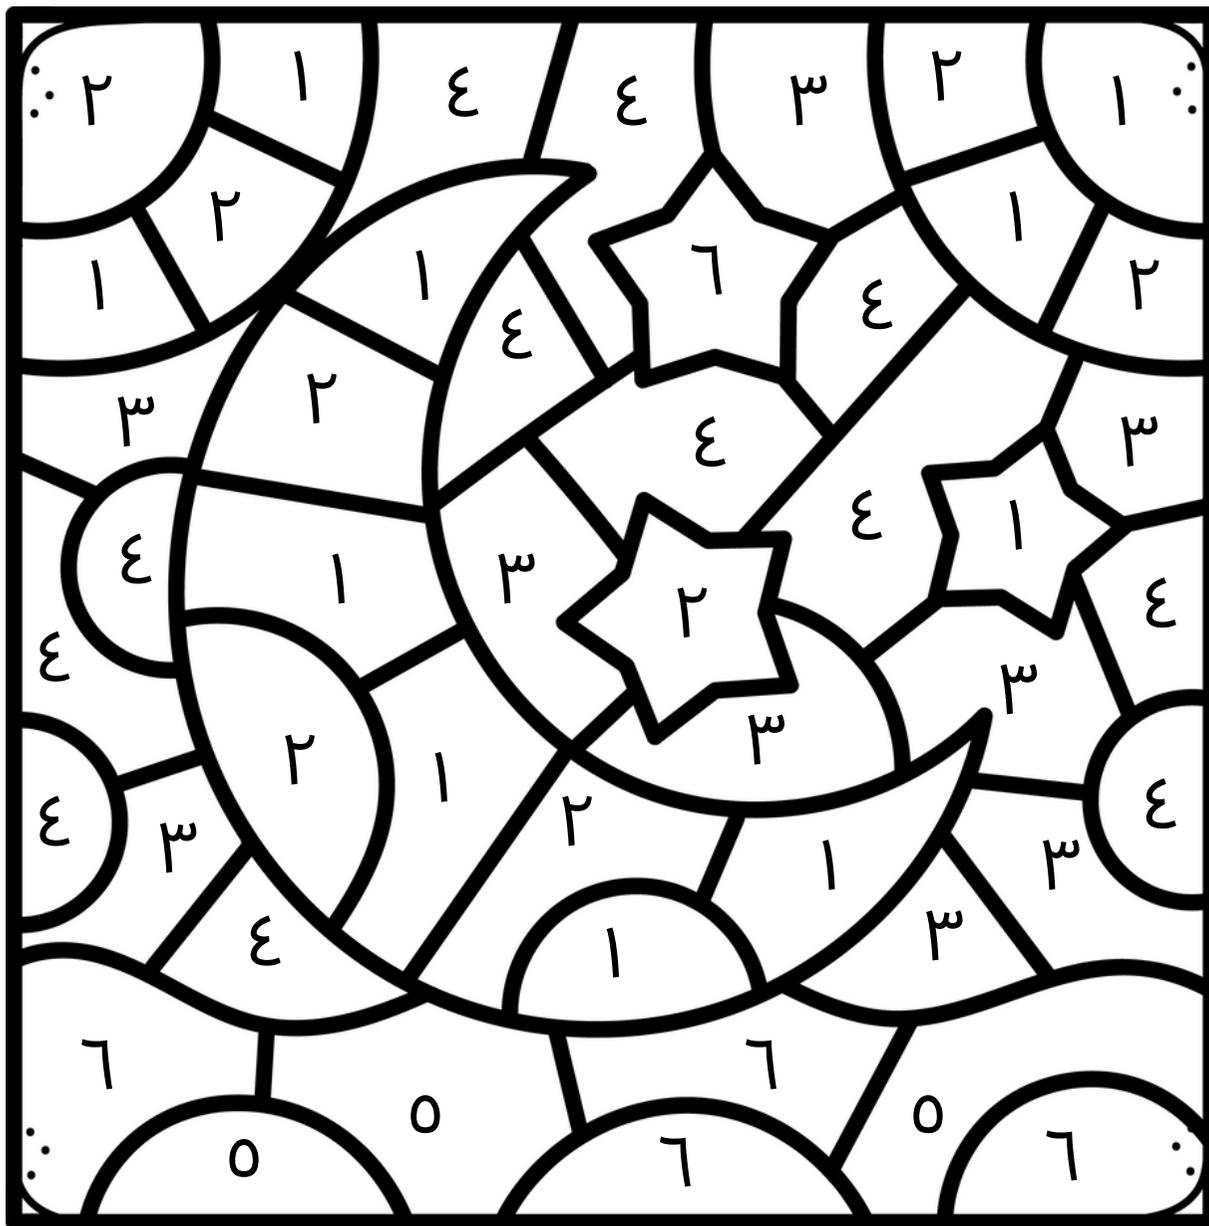

If you like these pages, feel free to photocopy them and share with kids in your local masjid to keep them quietly occupied while their parents are worshipping.

May Allah accept your good deeds this Ramadan

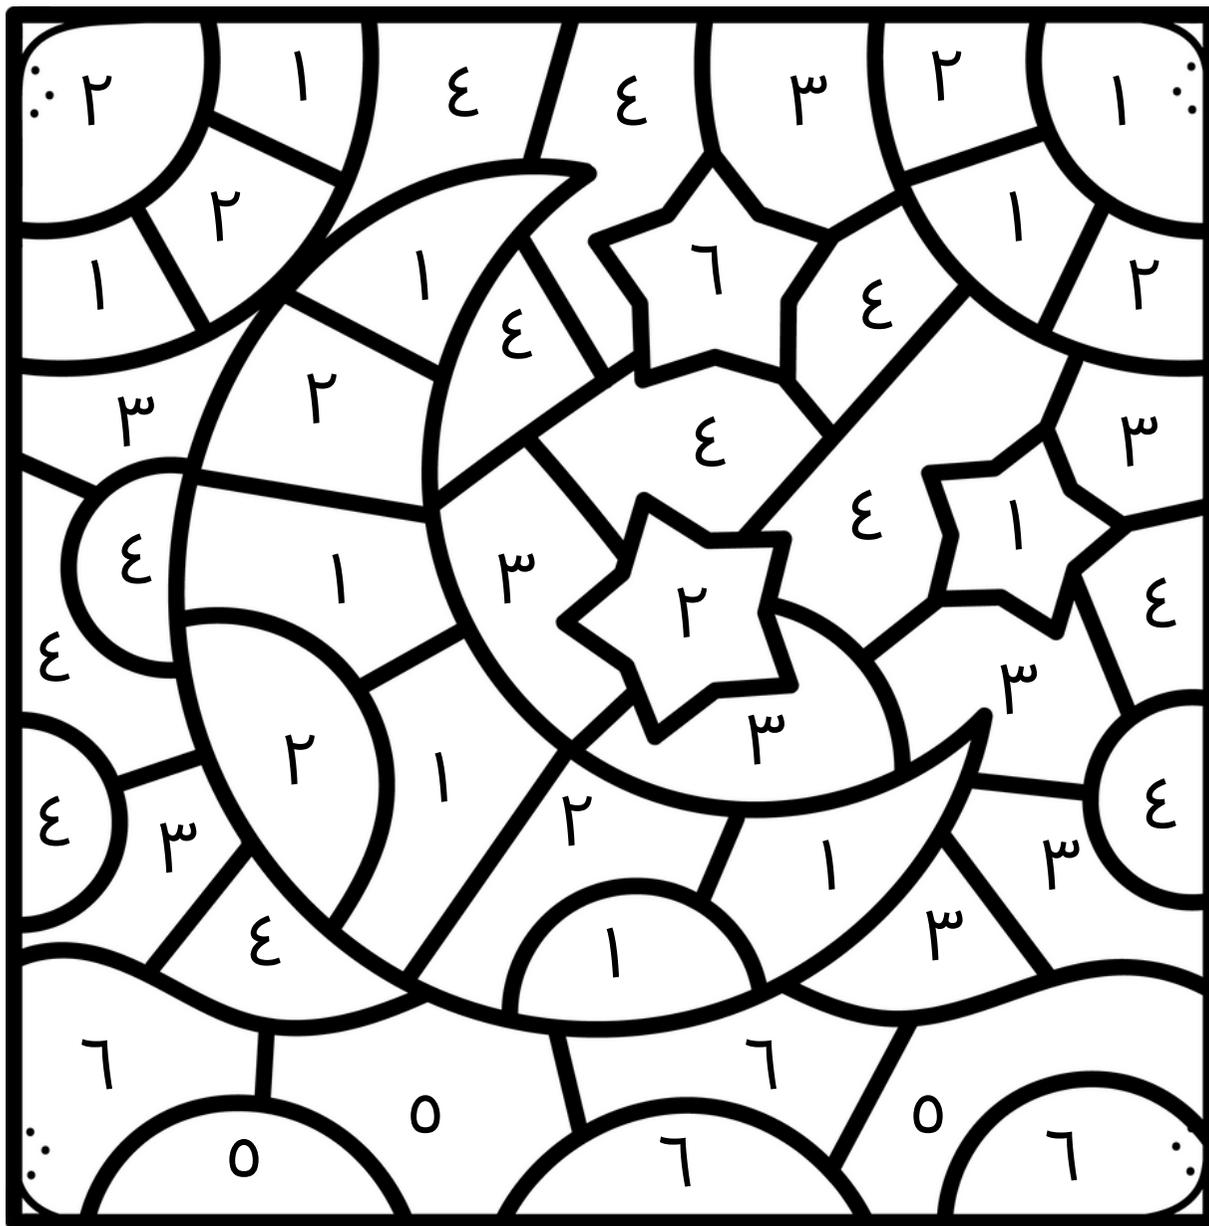

p.s. There are 2 versions of the colour by code page. One is in colour to make it easier for the kids who can't read yet!
