# WRITING DISPLAY posters

These posters are a fun way to display children's writing. They look great pinned to a cork board, tacked to a wall or even on the fridge.

Printing on card makes them sturdy but paper is fine.

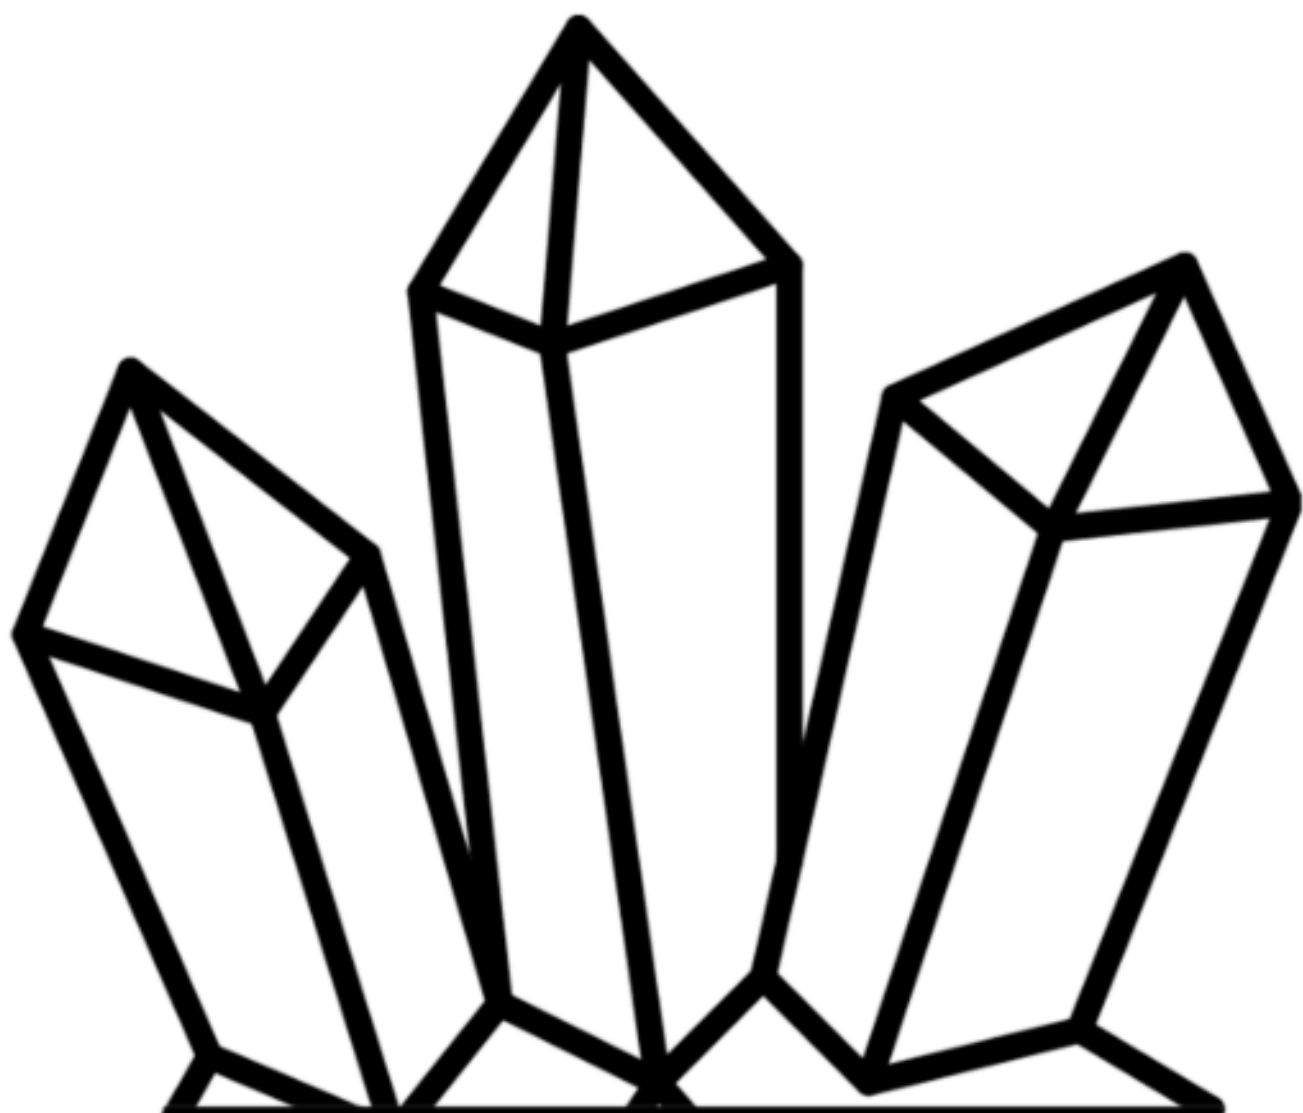

When children know their work will be displayed inshaAllah they usually try harder to make it presentable.

Students can write on every other line if the passage is short

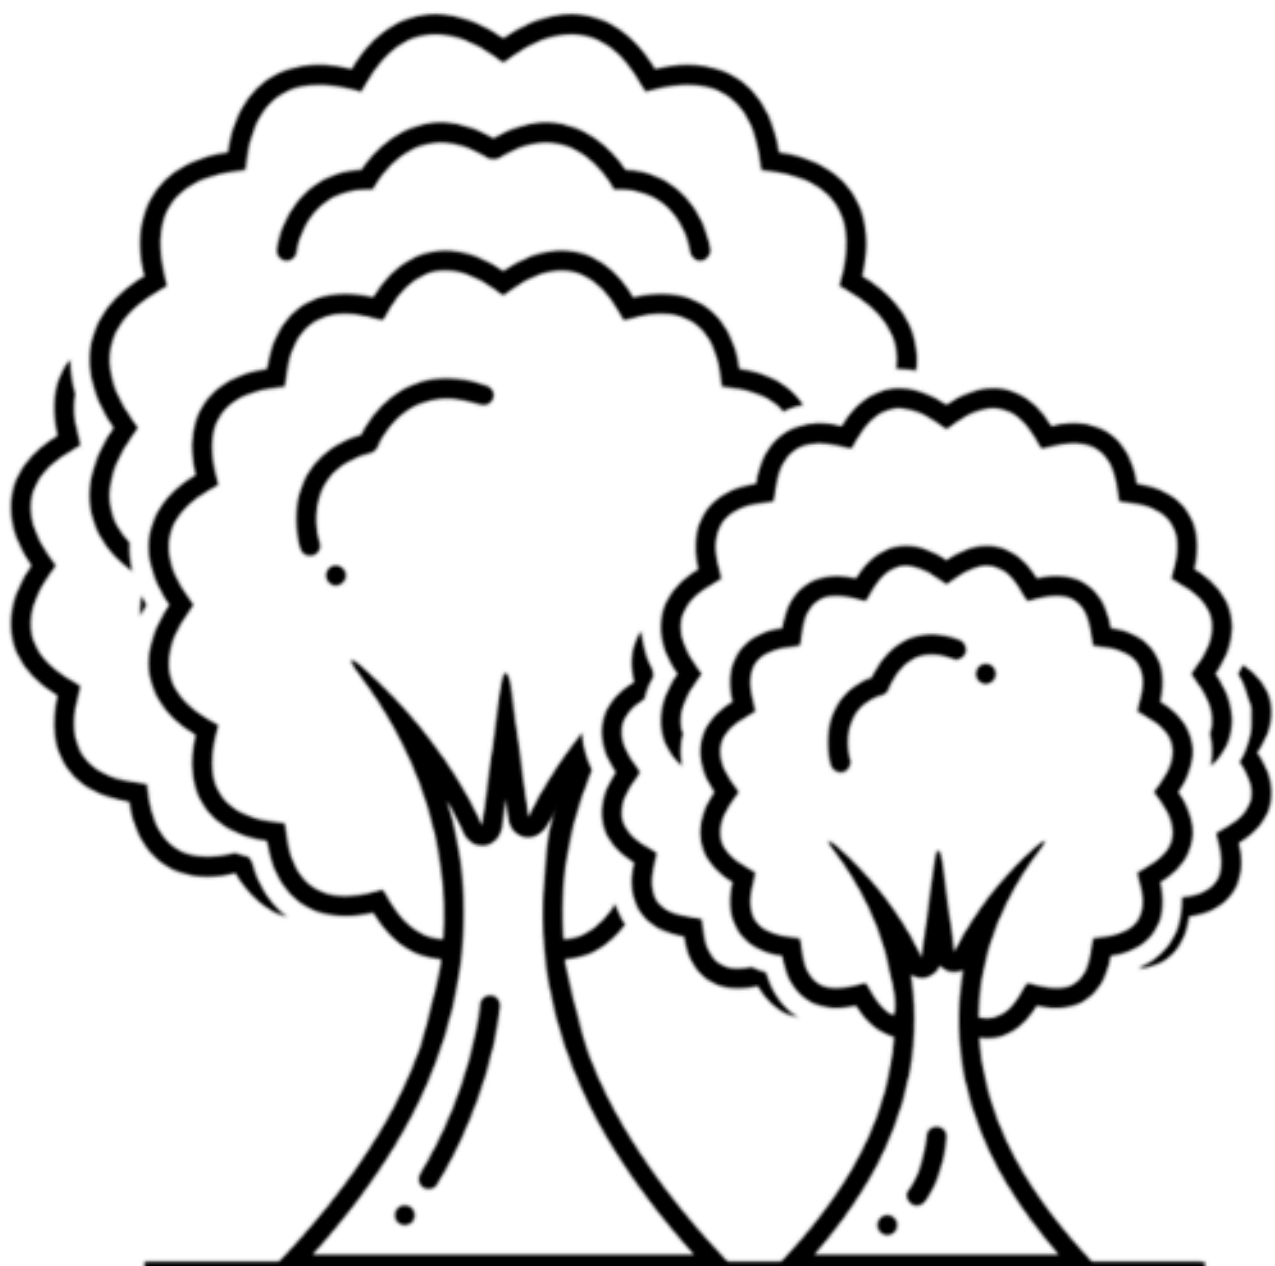

Add the author name  
And any further  
illustrations here.
