السلام عليكم...

This free resource aims to help kids connect with Ramadan through creative activities.

What's included?

Some families love Ramadan crafts and others feel that its unnecessary and a distraction. Personally, I've found them really helpful to engage younger kids that aren't fasting yet and also distract kids who are still in their first years of fasting.

I have some conditions though!

Activities should:

- ★ be simple
- ★ be inexpensive
- ★ not require special supplies
- ★ and be lots of fun!

I HOPE YOU FIND THE
ACTIVITIES ALL OF
THESE THINGS!

I'd LOVE to see your art work and creations. Tag me on instagram [@teachmeislam_tpt](https://www.instagram.com/teachmeislam_tpt) or e-mail umzayd@teachmeislam.org.

PROJECT 1

THE RAMADAN GALLERY

This mini gallery is a perfect quick activity for a range of ages.

Just print, provide drawing supplies and grab 5 much-needed Ramadan minutes for yourself.

 You could repeat each year to see how their tastes change and drawing develops!

FOR DIFFERENT AGED KIDS:

Provide different colouring materials if you have a range of ages.

Older kids might like to paint or use colouring pencils and crayons are always a safe choice for younger kids!

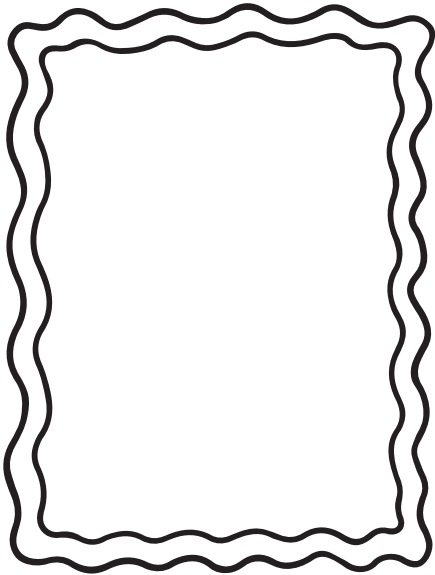

Kids don't always realise that the moon is full in the middle of the month, not a half! This project is a great chance to teach about the moon phases!

TOP TIP!

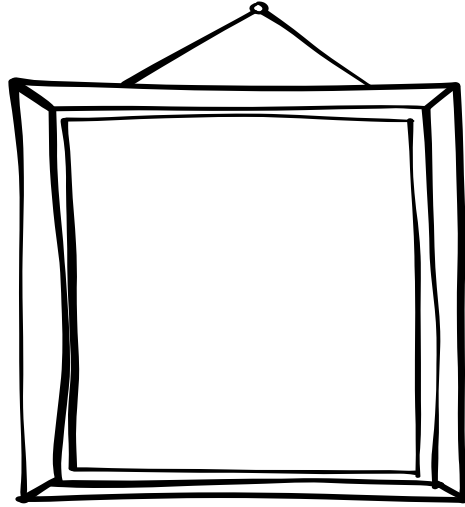

Avoid felt-tip pens if you have printed with a standard at-home printer.

The blank ink bleeds.

THE RAMADAN COMMUNITY

This fun drawing project places the masjid in the heart of the community.

The masjid drawing guide has been provided for less confident drawers.

Kids can draw their local masjid and the homes and buildings surrounding it.

FOR DIFFERENT AGED KIDS:

Older kids can try to include:

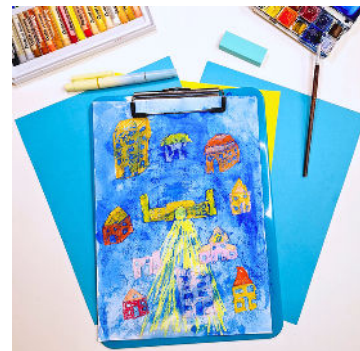

- 3-D buildings
- Different types of buildings, apartments, terraced houses, villas etc

Toddlers can join in by colouring the colouring page!

PAINT PROJECT

Draw the buildings and colour with oil pastel or crayons

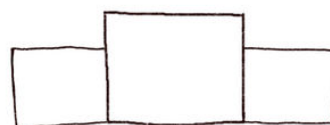

Paint over with watercolour and outline with black pen.

RAMADAN WORD ART

This Ramadan word art is so simple but so beautiful!

TRY THIS!

Gradient colours are perfect for this! Either dark to light or one colour to another.

DIFFERENT OPTIONS

Cool/warm colours

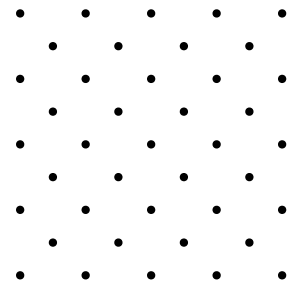

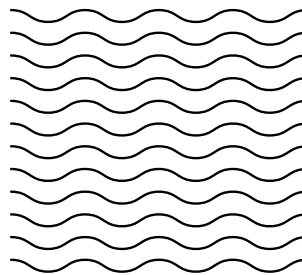

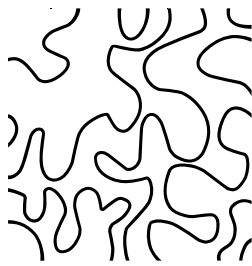

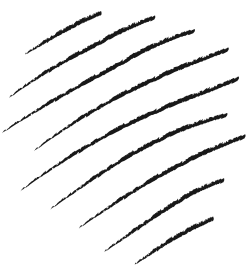

Trace the letters with crayon or oil pastel using the template.

Paint over with watercolour paints and trace the lines with black marker.

Pattern

Draw patterns on the different beams,

Experiment with different patterns, lines, waves and more!

You can either draw the patterns with pen after colouring or painting or draw with crayon and then paint over,

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

PROJECT 5

BOOK MARKS

This is a classic project and great to give as a hand-made gift,

This set of bookmarks contain quotes from the Qur'an about the Qur'an,

Kids can write their favourite ayat on the blank bookmarks provided.

DIFFERENT OPTIONS

Add a tassel

You can make it even more special by adding a homemade tassel. All you need is scissors and some yarn.

Watercolour

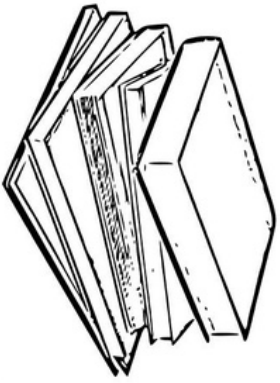

Watercolour splashes are really popular at the moment. They look great as a background effect.

Mount on patterned paper

Cut out the book mark and mount on coloured paper or patterned paper. Card would make it even more sturdy.

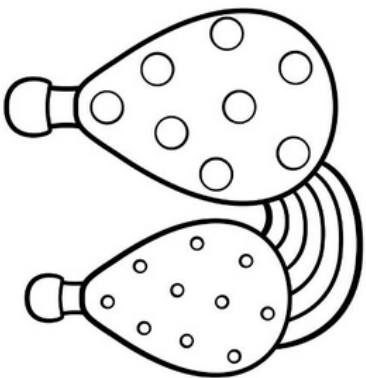

Laminate

Laminate for extra durability. Either use a machine or sticky sheets used for covering books.

All the praises and thanks are to Allāh. Who has sent down to His slave (Muhammad ﷺ) the Book (the Qur'ân), and has not placed therein any crookedness.

Surah Al-Kahf 1

Do they not then consider the Qur'ân carefully? Had it been from other than Allāh, they would surely have found therein many contradictions.

Surah An-Nisa 82

And We send down of the Qur'ân that which is a healing and a mercy to those who believe

Surah Al-Isra 82

And We have sent down to you the Book (the Qur'an) as an exposition of everything, a guidance, a mercy, and glad tidings for those who have submitted themselves (to Allāh as Muslims)

Surah An-Nahl 89

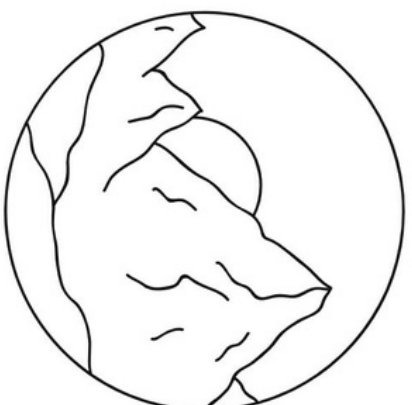

Verily We: It is We
Who have sent
down the Dhikr (i.e.
the Qur'ân) and
surely. We will
guard it (from
corruption)

Surah Al-Hijr 9

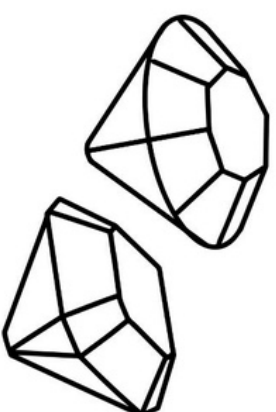

Say: "If the
mankind and the
jinn were together
to produce the like
of this Qur'ân,
they could not
produce the like
thereof, even if
they helped one
another."

(Surah Al-Isra 88)

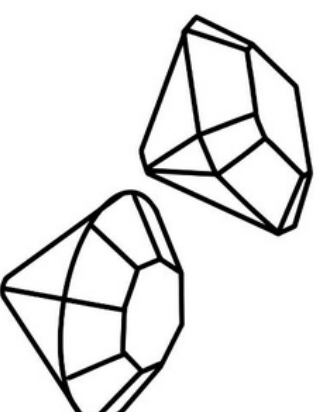

Had We sent
down this
Qur'ân on a
mountain, you
would surely
have seen it
humbling itself
and rendt
asunder by the
fear of Allâh.

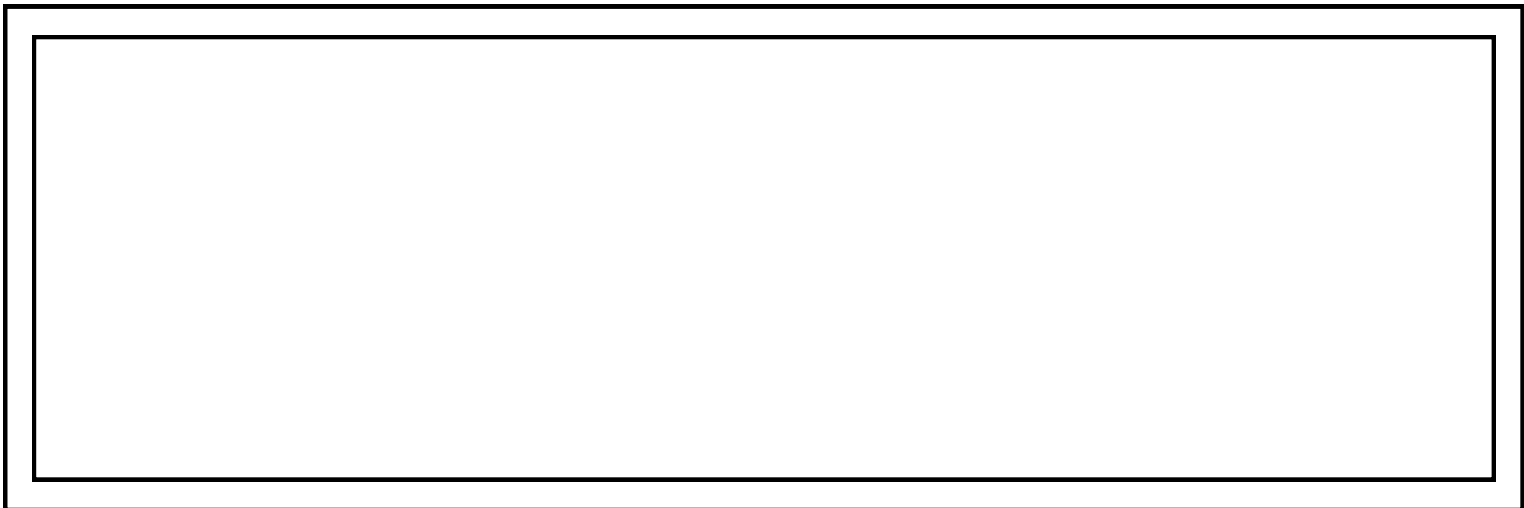

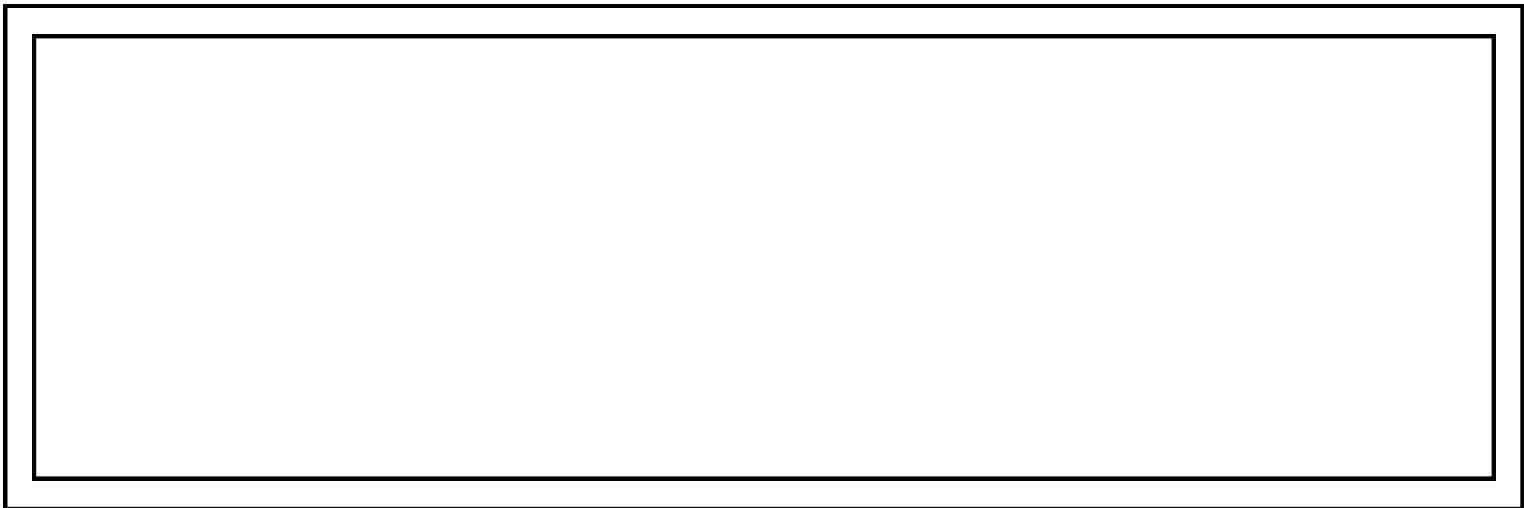

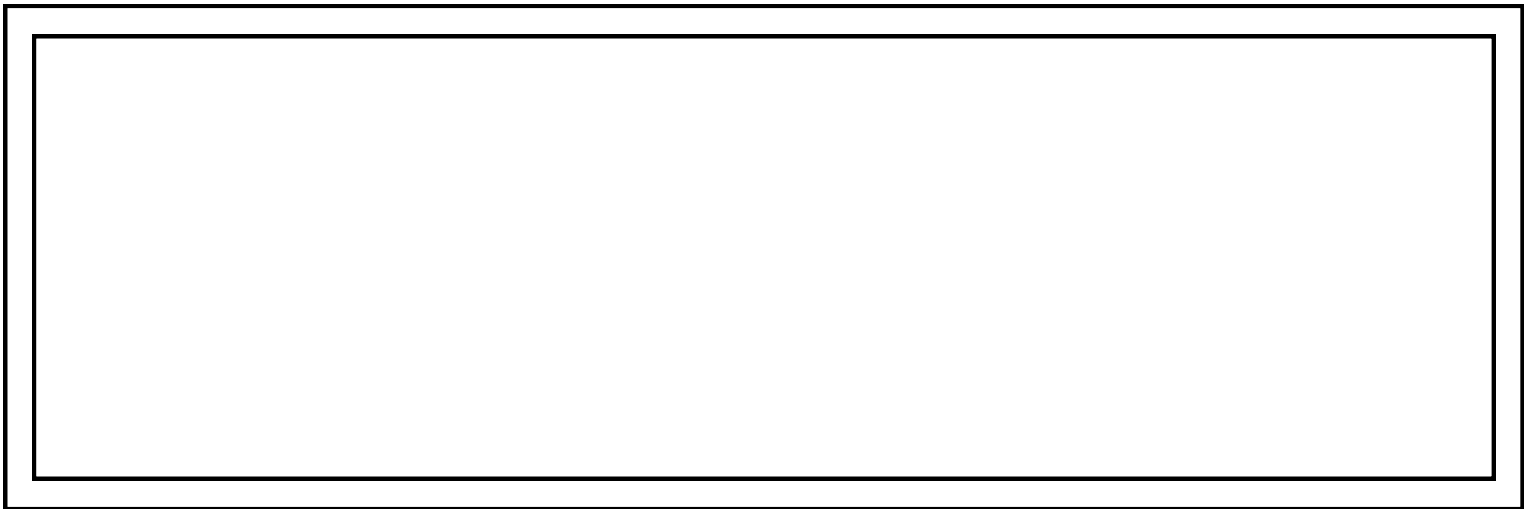

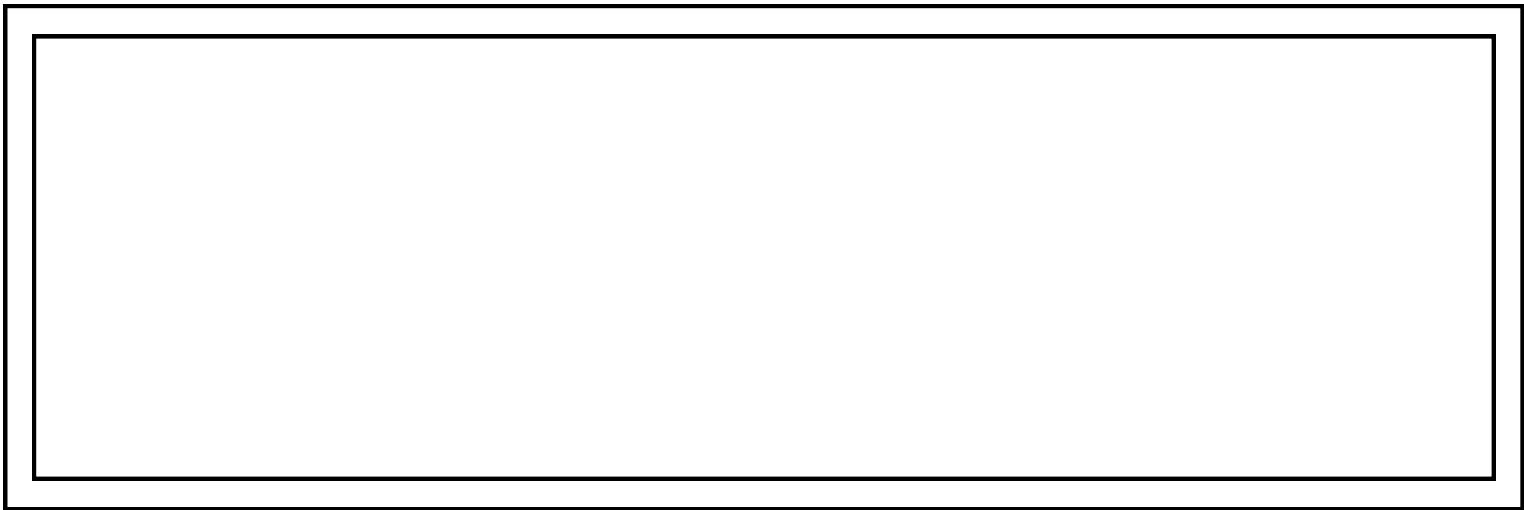

Surah Al-Hashr 21

And verily, you
(O Muhammad
SAW) are being
taught the
Qur'ân from the
One. All-Wise.
All-Knowing.

Surah Ar-Naml 6

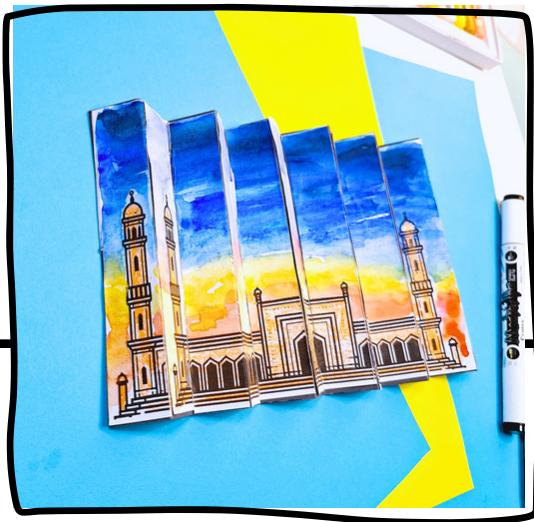

PROJECT 6

MASJID AGAMOGRAPH

This optical illusion produces very satisfying 'oohs' and 'ahhhs' from kids!

Once kids have learnt the method they can make their own agamographs!

INSTRUCTIONS

Colour the two masjid pictures

- One shows the sky at fajr
- One shows the sky at maghrib

This is a great change to teach about the 'false' fajr and learn about the true fajr and its appearance.

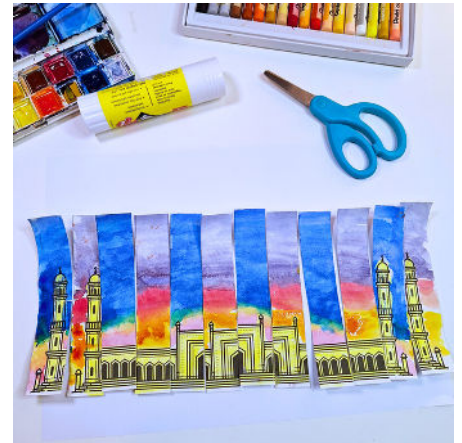

Cut the pictures along the vertical lines

Place them in alternate order as shown below.

FAJR 1	MAGRIB 1	FAJR 2	MAGRIB 2	FAJR 3	MAGRIB 3	FAJR 4	MAGRIB 4	FAJR 5	MAGRIB 5	FAJR 6	MAGRIB 6
--------	----------	--------	----------	--------	----------	--------	----------	--------	----------	--------	----------

PROJECT 6

Stick in order on a piece of landscape paper or card

Fold up accordian style

If you are using card you can score the card along the lines with scissors or lightly with a craft knife. This makes it easier to fold.

If you stick it on your fridge or a bulletin, you'll be able to experience the optical illusion whenever you go past inshaAllah.

I've included a blank template so you can make your own. You can write a word transforming into another word or draw your own pictures,
